Account name	Clockwork Regular ISA Saver Account (Issue 2)
What is the interest rate?	4.00% Tax-free/AER The interest is paid annually and will be credited to your account after close of business on 1 January.
Can Progressive change the interest rate?	Yes, the interest rate is variable. We can increase or decrease the interest rate as described in our Savings General Terms and Conditions. If we are decreasing the interest rate, we will notify you at least 14 days before the change takes effect.
What would the estimated balance be after 12 months based on a £1,000 deposit?	£12,262.25 This is an example based on the account being opened on 2 January with an initial deposit of £1,000 and 11 monthly lodgements of £1,000 at the start of each month and assumes the interest rate does not vary during the 12-month period.
How do I open and manage my account?	The account is available to existing Members and new customers resident in Northern Ireland only who are aged 18 years and over. There is a minimum lodgement of £20 required to open this account. You can save up to a maximum of the annual ISA allowance (£20,000 for the current tax year). You must save between £20 and 1/12th of the annual ISA allowance each month the account is open. Monthly payments can only be made by electronic transfer. If you do not invest the maximum subscription each month, you can make additional deposits to this account from 1 March, up to the maximum annual ISA allowance. You can miss one monthly payment per calendar year without loss of interest. If you miss more than one monthly payment in the same calendar year the account will become an instant access Cash ISA account at the interest rate applicable at that time. We will provide you with 30 days' notice of the change. The account can be opened and operated at any of the Society's branches, agencies or by post.
Can I withdraw money?	You can make one withdrawal per calendar year without loss of interest. If you make more than one withdrawal in the same calendar year the account will become an instant access Cash ISA account at the interest rate applicable at that time. We will provide you with 30 days' notice of the change. You can withdraw up to £500 in cash in a branch and £250 in cash in an agency, larger amounts must be withdrawn by cheque.
Additional information	AER stands for Annual Equivalent Rate and illustrates what the interest rate would be if interest was paid and compounded once each year. This will enable you to compare more easily the return you can expect from your savings over time. This is a tax-free account which means the interest paid is exempt from income tax. The interest rate is correct as of 18 th August 2023.
