What would the estimated balance be after 12 months based on a £1,000 deposit?	£1,042.50 This is an example based on an initial deposit of £1,000 made on account opening and assumes no further deposits or withdrawals are made throughout the year and that the interest rate does not vary during the 12-month period.
How do I open and manage my account?	The account is available to existing Members and new customers resident in Northern Ireland only who are aged 16 years and over. There is a minimum lodgement of £1,000 required to open this account. You can save up to a maximum of the annual ISA allowance (£20,000 for the current tax year). The account can be opened and operated at any of the Society's branches, agencies or by post.

Additional information	AER stands for Annual Equivalent Rate and illustrates what the interest rate would be if interest was paid and compounded once each year. This will enable you to compare more easily the return you can expect from your savings over time. This is a tax-free account which means the interest paid is exempt from income tax. The interest rate is correct as of 14 th August 2023.
